3. The following is an examiner's statement of reasons for allowance: The added features specifying how it is only one command made to correspond to the captured image, and that it is directly executed upon selection, in combination with the other features of the independent claims, goes beyond Emens. The features combined are not set forth in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
